

# Barton Grange Landscapes - Winter Gritting Service

Cardwell Farm, Garstang Road, Barton, Preston, Lancashire, PR3 5DR

## Don't let the ice and snow put the skids under your business!

**Barton Grange Landscapes** offer a professional *winter gritting service* that could be the answer to your *winter blues!*

We understand the need for “business as usual” and as an established company with over **50 years** experience we aim to meet your needs and requirements to help your organisation continue as normal during the harsh winter months.

- ❖ Provide safer roadways, car parks and footpaths for your customers and staff throughout the winter season
- ❖ Professional 24 hours/7 days a week service during the winter months throughout the North West of England
- ❖ Late evening/night gritting to ensure minimum disruption to your business activities

### Choice of service available:-

- **Proactive service** - we will accurately monitor weather conditions and grit when temperatures fall below zero
- **Reactive service** - you contact us to arrange for the gritting to be carried out that same day, evening or night
- Also available – **snow clearance** and provision and re-filling of **salt bins** at competitive rates

Our regular clients include retail parks, supermarket chains, ambulance headquarters, government buildings, medical centres, park & ride sites, office developments, factories, shopping centres, bus & railway stations, hotels, car dealerships, private businesses and larger private residences.

*Please contact us now and let us provide a competitive quotation for this valuable service to your premises.*
